

# PATHFINDER TALES: MASTER OF DEVILS

PATHFINDER SOCIETY ORGANIZED PLAY

**P**athfinder Tales: *Master of Devils* has now been incorporated into the Pathfinder Society. This additional option provides fans of the novels with an additional way to use content from the book in-game in a sanctioned format. Because of the differences between reading a novel and playing a game, this document outlines the specific rules needed for using sanctioned content from a Pathfinder Tales novel and provides a Chronicle sheet for players to use with their characters.

## HOW TO USE

Because Pathfinder Tales novels are stories first, there is no easy way to sanction items, spells, feats, or other special abilities whole-cloth. Therefore, *Master of Devils* Chronicle sheets use the following rules.

- Only items, feats, boons, or abilities found on the Chronicle sheet are legal for play.
- Each player must have a copy of the Chronicle sheet with his or her character at all times.
- In order for the Chronicle sheet to be considered legal for play, the player must show to the GM a copy of *Master of Devils*, either in printed or digital format.

## ADVICE FOR USING PATHFINDER TALES CHRONICLE SHEETS

GMs are advised to work with players to make the sanctioning of Pathfinder Tales Chronicle sheets easy and fast. As long as the player has a copy of the book, she should be able to use the Chronicle sheet just like any other.

Sutter.
